Letter to the New Distributor

Congratulations and welcome to Enagic Thailand! You have made the first step towards success.

This booklet contains detailed information regarding the application procedure, as well as answers to general questions that you may have. Please utilize this booklet not only when conducting your own business, but as a tool to train your team. Remember, the more knowledge you know, the more you grow! Should you have any further questions regarding something not covered in this booklet, there are a few steps that need to be taken before contacting the company. First, you need to call your up line, or your up line's up line (suggest your 6A would be best). Second, you need to check our website as we have many updates, and other general information there. Third, you can call the company to get any assistance that you may need after exhausting the first two options. Keep in mind that you have entered into a preexisting team. You may feel as though you are alone at times, but that is when you need to reach out most and get connected. You are not alone! There are hundreds, if not thousands, of people in your group willing and ready to lend a hand to help you build your own team and business.

****Please read this booklet in its entirety before submitting any applications****

3. Signing Up as a Tokurei (Good Samaritan)

A Tokurei (Good Samaritan) is someone who may be unable to purchase the machine, but would like to join the company and work as a distributor. That person will primarily function as a "partial" distributor in that although they are able to go out and sell machines, they will only receive partial commission. This will be explained in further detail below.

Understanding the Tokurei System

To sign up as a Tokurei, a person must submit their application (which should include the **Product Order Form and Distributor Agreement and Return Policy**), along with the application of someone that is purchasing the machine either by full payment or Enagic Financing. The Tokurei will sponsor the buyer, and therefore will start with one sale, or one 1A leg.

- When signing up as a Tokurei, one needs to select which machine they are working towards when filling out the application.
- A Tokurei will not receive their machine until accumulated commission can cover the cost of the machine.
- As a Tokurei, every time a sale is made within the 8 point structure, part of the commission will be placed toward the Tokurei's selected machine.

Example : if a Tokurei sold an SD501 machine with full payment, where the normal commission minus the SP bonus would be THB6,550 that person would receive THB3,750 The THB2,800 per point that was not paid would be saved and put towards the Tokurei's Enagic machine.

- All withheld Tokurei commissions are non-refundable, and can only be used toward the purchase of the Enagic machine. If a Tokurei ends his or her distributorship before purchasing the Enagic machine, the withheld Tokurei commissions shall remain the property of Enagic.
- SP **will not** be counted for the distributor while under the Tokurei plan.
- If a distributor already has an account or Tokurei account, he/she cannot sign up as a

Tokurei for a second or third account. Signing up as a Tokurei is only allowed for individuals signing up with Enagic for the first time.

- Customers who are under the Tokurei program are not allowed to sign as an alternate payer for the payments of someone else's machine.
- Any distributor under the Tokurei plan will not be allowed to purchase a second machine until the Tokurei is paid off.
- Distributors signing up using a business name are not allowed to sign up as a Tokurei.
- If a distributor's downline is a Tokurei, they will not receive any commission until the Tokurei has been completed.
- After Tokurei cancellation, you need to make one direct sale to get SP.
- **Please fully read the Agreement of Tokurei Payment Plan form.**
